LINPOL® GLOSS Q-CAPS

Biobased Floor Cleaner/Protectant

DESCRIPTION

Neutral liquid soap for daily use on finished VCT, LVT and similar resilient floors. Gives a shiny and glossy appearance while creating a protective layer that will protect the floor and make future cleanings easier.

USE

1. Fill autoscrubber solution tank with cold water
2. Hold bucket-fill activator above fill port
3. Screw the Q-CAPS onto the activator until you hear a SNAP!
4. Dispose of the empty CAPS after user

DOSAGE

Auoscrubber: 1 Q-CAPS in 12-16 gallons of water
2 Q-CAPS in 24-32 gallons of water

TECHNICAL CHARACTERISTICS

- Fragrance: fruity
- Color: blue-green
- pH: 7.5 ± 0.5
- pH in solution: 7.0 ± 0.5

STORAGE & CONSERVATION

Keep the product in its original closed packaging. Do no allow to freeze. Best used immediately after mixing.

ECOLOGICAL INFORMATION

- Biodegradable product (EC 648/2004)
- Packaging 100% recyclable
- CO₂ neutral production and transportation from Belgium to your warehouse
- 100% wastewater treatment
- Production based on 100% renewable energy (solar, thermal or hydroelectric)

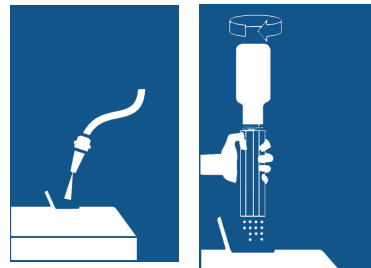

SOCIAL RESPONSIBILITY

Contributes to a concrete sustainable development project (via CO2Logic).
