LINPOL® MULTI

Multi-surface Probiotic Cleaner and Protectant

DESCRIPTION

Concentrated, neutral, probiotic-based cleaner that tackles 95% of daily soil loads with a single, easy-to-use product. A blend of plant-derived fatty acids rapidly dissolves greasy films and soils, while a combination of natural probiotics colonizes on surfaces to deliver continuous cleaning and long-lasting odor control. The result is visibly brighter floors, fresher carpets and hard surfaces that ensure effective and continuous cleaning between scheduled maintenance.

USAGE (FUSION DISPENSER)

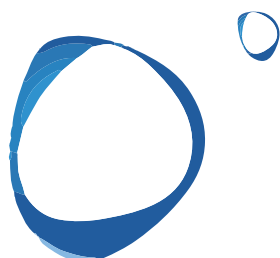

- To fill bottle: Insert the dispenser's fill tube in labeled spray bottle. Rotate selector dial on dispenser so that it points to appropriate application. Raise bottle to begin filling. Lower bottle when full.
- To fill bucket: Place dispenser's fill hose in bucket. Rotate selector dial on dispenser so it points to appropriate application. Press button to begin filling. Twist to lock button for continuous filling.

DOSAGE

1:256 for floor cleaning (.5 oz/gal)
1:64 for spray and wipe (2 oz/gal)

TECHNICAL CHARACTERISTICS

- Color: blue
- Fragrance: natural fruit
